

Summer Crush Hydrangea

With a profusion of big raspberry red or neon purple blooms, Summer Crush™ brings floral quality blooms to your garden or patio container. Not only is it drop-dead gorgeous, but it is compact so you get a neat, tidy look throughout the summer. Fill a patio container with Summer Crush for a stunning look all season long. Summer Crush™ will make your outdoor living space the talk of the neighborhood.

Reaches 18-36 inches tall and wide.

Partial Shade

Needs regular watering - weekly, or more often in extreme heat.

- Do prune during or directly after flowering; this will insure we are not cutting off future flowers.
- Do provide proper siting. Bigleaf hydrangea are shade oriented plants and need protection from hot afternoon sun.
- Don't place in an exposed, full sun site with minimal access to water.
- Don't forget to provide adequate mulch and annual fertilizer.
